Dear Mike

It was great to see you again for our TaylorMade adidas Ashworth Golf seminar and tournament in Dubai.

We hope the club fitting session on the driving range with our tour fitters was educational and interesting for you.

It's really very important for us to know that our brands and products are professionally represented in the Netherlands and Benelux region, as this is such an important area for us. As an ambassador of our brands for the past 10 years and to golf in general, it's a privilege to say that you are part of the TaylorMade adidas family and would like to take this opportunity to thank you for your professional services and support you have given our brands for the last ten years. We sincerely appreciate all the work you have done as a TMaG staff player. Your work as professional club fitter to our contracted adidas sports personalities throughout the Netherlands and Benelux is truly appreciated, as I know it is by them also.

I look forward to seeing you again at the Amsterdam Golf Show in a couple of weeks

We do hope that our working together shall continue in the future.

Kindest regards
